"A Vacation For Your Ears"

Highlights of Qualifications

- Charismatic storyteller who owns custom-built, soundproof studio containing a WhisperRoom, Pro Tools, and Neumann TLM 103 mic
- Compelling narrator who is aided by an in-person director and engineer on every production
- Committed producer with over 30 years of working in high-pressure, deadline-driven environments who delivers pristine audio on-time and within budget
- Authentic presenter of Information Technology texts due to detailed knowledge gained in 25+ years work in technical IT positions and MS in Computer Information Systems
- Atlanta native specializing in Southern accents

Audiobook Credits and Reviews

Professionally narrated over 50 titles with a 4.03 average performance rating on Audible in over 1700 ratings

- Comedic cozy mysteries and legal thrillers
- Contemporary and classic fiction, including sweet romance
- Non-Fiction: biography, memoir, self-development, history, and business
