Professional Profile

Audio Producer from Escuela de Música y Audio Fernando Sor, Audio Editor, Voice Actor and Announcer. Psychologist and Forensic Psychophysiologist from Universidad Javeriana, skilled at Forensic Psychology and qualitative and quantitative research. American Polygraph Association– APA member and Asociación Latinoamericana de Poligrafistas- ALP member.

Currently, I work as a professional audio producer in my own recording studio. Strong skills and experience in recording, mixing, mastering, editing and post-production audio for videos. Besides, I count with specialized infrastructure for audio production for audiovisual content, as well as for small musical formats.

Education
